

To who it may concern,

I am extremely pleased to write this letter of recommendation for Jessica Fogarty. Lobster Ink employed Jessica full-time, as an Educationist from October 2014 until February 2016. When Jessica and I worked together I found her to be a conscientious and very hardworking professional.

To give you a brief understanding of who we are; Lobster Ink is the hospitality education system that educates staff and management within the hospitality industry worldwide.

Our education platform is built around the creation and delivery of detailed, high-definition courses on international skills, international standards and product knowledge, using online learning and assessments to ensure focused, measurable training outcomes.

As an educationist, Jessica was directly involved in the day-to-day operations of the Production and Education department. The main function of her role was on script writing and the creation of supplementary documentation for specific courses, research and proofreading of all education content and related documentation, and to accurately perform administration tasks on the Lobster Ink website.

During her time at Lobster Ink, Jessica was involved in the production of projects which involves filming in local and/or international locations. Her role, when onset filming, was assistant director and producer to her Senior Educationist or Project Manager.

Jessica is a confident, spirited and dynamic individual. Her character combined with her passion for her role at Lobster Ink made her a very valuable employee.

I have known Jessica to be amiable to all her colleagues and very easy to get along with in the office.

She has a kind and gentle personality, having a love for animals, especially horses. She was very instrumental in ensuring the safety of her friends, neighbours and horses during the devastating Fires in Cape Town in 2014. Jessica also took it upon her self and initiated a drive in the office to aid the fire fighters with donations of food and water during that time.

Overall, I was reliant on Jessica to always produce high quality and accurate work. I wish her only the best in further endeavours.

I fully recommend Jessica as I am positive of her ability to undertake even the most complex of work. Please feel free to email me at [aimleenash@hotmail.com](mailto:aimleenash@hotmail.com) if you would like me to further elaborate on Jessica's abilities

Kind regards,
